

# BULLARD WASH CHANNEL IMPROVEMENTS - PHASE II

*Various themes could be incorporated throughout the Bullard Wash Corridor, that would blend together at boundary locations.*

## **Agriculture**

- Agriculture's impact on the community, city, and region
- Importance agriculture has played in the West Valley
- Agriculture's role and impact in the West Valley, reinforced by:
  - ▾ Interpretive signs
  - ▾ Site features
  - ▾ Artifacts and displays
  - ▾ Development of an icon and park name that characterizes the overall theme of this park
  - ▾ Plant arrangements and paving patterns

## **Aircraft**

- Phoenix-Goodyear Municipal Airport
- Constant Air Traffic
- Strong view of parked aircraft on horizon
- Signs, displays, and viewing areas where visitors could sit in the shade to watch the air traffic
- Unique opportunity to bring certain aircraft elements into the pedestrian environment to grasp the scale and overall size of aircraft components that are otherwise inaccessible or off-limits.
  - ▾ Phased-out jet engine
  - ▾ Landing gears
  - ▾ A tail section

## **Art**

- Opportunity to bring people, art, and nature together
- Strategically placed art pieces and sculpture throughout channel
- Interactive elements that actually engage the visitors, thus making them part of the theme and art
